REDEFINING CARE, EMPOWERING INDEPENDENCE

WELCOME HOME

Located in the quiet town of Athens, Tissues Assisted Living is a 20-bed community designed exclusively for women, offering a warm and supportive environment in a classic New England–style home. With its intimate size and homelike setting, residents enjoy personalized attention, meaningful connections, and the comfort of a close-knit community. Daily activities, social gatherings, and the charm of small-town living create a welcoming atmosphere where independence, dignity, and friendship flourish.

We strive to make sure every resident at Tissues Assisted Living enjoys the highest level of comfort they can. From comfortable, well-appointed bedrooms and dining areas, to cozy common areas and lounges, each space is carefully designed to meet our resident's needs, both physically and emotionally. We believe every resident should feel as proud of their home as we do.

***Where Residents Thrive with Dignity,
Independence, and Personalized Care!***

At Brock Health, our mission is to empower seniors to live with independence, dignity and confidence. We are committed to providing personalized care and support in a close-knit environment. Our team is dedicated to offering a range of resources and services designed to enhance quality of life, allowing our residents to thrive with the freedom to enjoy their daily routines while knowing that support is available. We strive to create a community where independence is celebrated, and every resident feels valued and at home.
